

INFORMATION – STANDARD I - IV

April 1, 2021

Dear Parents,

The academic year 2020-2021 has drawn to a close. We the management would like to express our gratitude to the parents for your dedication, co-operation and support extended especially during this time of pandemic and the new teaching- learning experience of online classes.

We are aware that the entire world is going through a financial crisis and SFX is no exception to it. We had a higher responsibility to cater to the needs of two thousand plus families, including staff and parents. By the grace of the Almighty and His divine providence we were able to go that extra mile to pay the salaries to the staff and give maximum concession as possible to the parents depending on their financial difficulties.

Though the income was insufficient we were able to impart quality education to students without interruption. We are striving our best to do the same in the coming days too.

The institution is also required to upgrade itself technically and the current situation demands huge investments in software/hardware/training, sanitization etc. We are also aware of the government's order on school fees. Currently the matter is still being debated and the decree is awaited. We will follow the direction of the government. Meanwhile parents are requested to clear the fees latest by 10th of April 2021.

We highly appreciate and thank you for your cooperation in this matter for helping each other for this noble cause of imparting knowledge.

This is to bring to the kind notice that the ICSE text books are likely to be revised from the Academic Year 2022-2023. During pandemic those who are struggling financially can directly contact the parents of students promoted to higher classes and take the text books from them IF WILLING.

Students are requested to keep their text books neat in either case, (whether retaining the text books for future reference or willing to share). Parents who intend to purchase new set of books kindly confirm the same to the respective class teacher by 10th of April 2021 in order to place the order for books with the vendors.

Once again thanking you for your whole hearted support and co-operation.
