ST. FRANCIS XAVIER GIRLS' PREPARATORY SECTION  
49 PROMENADE ROAD, FRASER TOWN  
BENGALURU – 560 005**

Dear Parents,

Greetings !

We the management of St. Francis Xavier Girls' High School are happy to announce yet again another new initiative after commencing ISC in 2020.

The New National Education Policy (NEP) 2020 is set to replace the 10+2 schooling system with a new 5+3+3+4 system. Hence we are introducing Nursery Section in our school premises as the entry level from the Academic Year 2021-2022, in compliance with the New Education Policy as well as heading to long standing requests from the parents.

We are pleased to inform that SFX has the legacy of imparting holistic and quality education for the past 131 years. We deem it a great blessing to be of service in nurturing your child and provide an opportunity for parents to get your child enroll for the Nursery class.

Kindly login to our school website for further information and to download the application.

Thanking you in anticipation for your co-operation and trust in us.

Wishing best of health and happiness.

God Bless !

Sr. Malar Joseph

Principal
